

We strike to call out NW Natural's campaign to roll back climate policy in Eugene

Lead by student activists from across Eugene and Lane County

Eugene has recently passed Oregon's first residential electrification ordinance - a victory that the gas industry is now working to roll back. This youth lead strike calls on the community to stand up for common-sense climate policy in the face of aggressive tactics from the fossil fuel industry.

Join Us Friday March 3, 2023

- March from South begins at 12:20 PM at the flag pole
 - All other high school students reach out to your eco club to get specific school info
- UO students and community members start in front of the UO School of Law at 12:20 PM
- The march will end with a rally at Kesey Square
