# TWO TALKING WOLVES

Conversations About Conservation, Re-Wilding the West  
and Ted Turner (the original Captain Planet)

Join environmental writer and Ted Turner biographer  
Todd Wilkinson, Conservation Leader and Wildlife  
Biologist Bob Ferris, and their special guests.  
For a dynamic discussion of **science, economic  
growth** and resource based **wildlife recovery**,  
and the need for **community action now**.

for more info visit: **CascWild.ORG**

## Todd Wilkinson

Freelance writer Todd Wilkinson author of the book "Last Stand: Ted Turner's Quest to Save a Troubled Planet" has been a professional journalist for three decades with assignments that have taken him around the world. Wilkinson's work appears regularly in national magazines and newspapers.

## Bob Ferris

Known primarily for his work on wolf recovery, Bob Ferris has brought his results-oriented attitude to the conservation and sustainability arenas for more than 30 years. He is currently the executive director of Cascadia Wildlands headquartered in Eugene, Oregon.
