# Cascadia Wildlands Hoedown for the Ancient Forests Sponsorship Benefits

**Saturday, September 7th**

Food, drinks & dancing: 6-9pm

with **Moonlight Jubilee**

At Veneta's finest barn venue, Rockin' HK Barn (24234 Suttle Rd.)

## **What is the Hoedown?**

The annual Hoedown is a beloved boot kickin' event and fundraiser for Cascadia Wildland's work defending wild places and backyard ancient forests. The Hoedown brings out cowboys and cowgirls of all ages for some boot kickin' dancin', barnyard games, raffle prizes, local eats and microwbrews all in the name of protecting public lands. After a brief hiatus, the beloved Hoedown is and sure to bring out a crowd ready to kick up some dirt and throw in their hats for an evening of family friendly fun. The evening will bring square dancing, sack races, delicious fare from local food trucks and updates from Cascadia's conservation campaigns. The Hoedown helps sustain our conservation work, feed our spirits and build our community. All funds raised from the event go directly in to Cascadia's work defending and restoring wild places in the bioregion!

## **Who is Cascadia Wildlands?**

Cascadia Wildlands is a grassroots Eugene-based nonprofit dedicated to defending and restoring Cascadia's wild places in the forests, in the courts and in the streets. Through tireless effort, Cascadia Wildlands has engaged in many successful campaigns in defense of public lands, endangered species and waterways. Notable wins in 2017 were saving the Elliott State Forest from privatization, securing permanent protections for wild salmon against destructive suction dredge mining, and saving thousands of acres of western Oregon public forests from being sold off to the timber industry.
